Testimonials

"We selected MindaClient as their system was flexible, they had experience in our sector and the pricing was appropriate."

We will stay with MindaClient as their customer development, support and relevant knowledge has been excellent."

*Dara Fitzgerald
BSc PhD, Executive
Director
Fulbright Commission in
Ireland*

We have found MindaClient to be responsive, creative, flexible and highly efficient.

Their product makes application management, review and reporting so easy

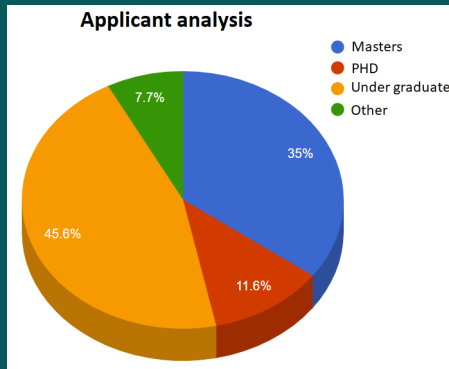

I would wholly recommend them.

*Dr. Cliona Hannon
Trinity College Dublin,
George Moore Scholars
a programme of
The Ireland Funds*

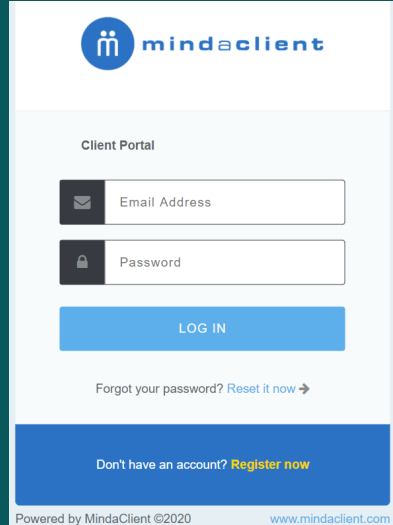

The Promoter

- Brian Kelly has 20 years experience in the technology sector
- 12 years working with National Grant giving organisations
- 14,000 Applications and €24 Million awarded through their systems to date
- MindaClient has been built and funded through cashflow to date
- The concept has been proven with high profile clients and Brian believes that now is the time to internationalise this product
